## OTTOMAN PERIOD

Sultan Selim I took control of Jerusalem,  
yet, very few Ottoman Turks settle  
in the city.

Oct. 31, 1517

95 Theses - original  
document of the Protestant  
Reformation nailed to  
Church door, Wittenberg  
Germany by Martin  
Luther

Oct 1517

Martin Luther died 1546

Martin Luther, unknown Augustinian friar posted 95 theses against indulgences on the door of the castle church of Wittenberg, a small university town in the territories of Frederick the Wise, elector of Saxony, the Roman church had been for many centuries the most powerful ecumenical institution in Europe

1517

The German monk Martin Luther posted his 95 theses, pressing for debate on various Church issues and touching off the history-shattering movement of the Protestant Reformation.
